**GENE GIZZI**  
ALEXIAN BROTHER

As a young man, Brother Gene Gizzi was more interested in girls than anything to do with religious life. But on a whim he sent for information from the Alexian Brothers. He joined the order at the age of 18. His friends said he would last six months. That was 54 years ago. Today Brother Gene spends his days comforting the sick, but he’ll be the first to tell you that helping the sick comforts him. Looking back, he says he couldn’t have made it without the love and support of his family — the Alexian Brothers. To find out more about becoming an Alexian Brother...
