

“As I think about it,  
serving others has  
always been my  
job; I just work for  
God now.”

**NEELMINO EMMANUEL**  
ALEXIAN BROTHER

Growing up as the son of a physician in a family of seven boys, Brother Neelmino Emmanuel knew two things for sure—he wanted to work in the medical field and he wanted to live in a supportive environment similar to the one provided by his family. Both of these goals came to fruition for Brother Neel when he decided to join the Alexian Brothers. Not only did the Alexian Brothers offer him the opportunity to work in their ministry, they also provided a community where he would never work alone. Their support and tremendous faith are what give him the strength and courage to do God’s work each and every day. To find out more about becoming an Alexian Brother...
